

## Erratum

We inadvertently omitted a number of important agencies and individuals from the Acknowledgments section. The following text should be printed as an erratum, replacing the earlier version.

### **\*Acknowledgments\***

This research was authorized by National Marine Fisheries Service, Marine Mammal Permit #848-1335 and conducted in collaboration with the Midway Atoll National Wildlife Refuge and the Pacific Remote Islands National Wildlife Refuge Complex, U.S. Fish and Wildlife Service Department of the Interior. Logistic support was augmented by the U.S. Coast Guard. The authors thank Jason Baker for his review and helpful suggestions regarding the manuscript and for his assistance in the field during the collection of samples and morphometric information from monk seals. Suzanne Canja, Mitch Craig, Mary Donohue, Brad Ryon, Brent Stewart, and Cynthia Vanderlip provided valuable assistance during the field effort and additional veterinary support was provided by Melissa Shaw and Pam Yochem.

We apologize for the inconvenience caused by this action and are willing to pay any additional page charges or other costs incurred by this action.

Again, your understanding and assistance in this matter are greatly appreciated.

Sincerely,
