## Volumes 49.1-49.6 (Alphabetical)

### abundance

Haria et al., Estimating Population Abundance of Atlantic Bottlenose Dolphins (*Tursiops truncatus*) in the Coastal Waters of Palm Beach County, Southeastern Florida, 49.1, 19-28.

### addenda

Kinze & Jefferson, Further Notes on the Early Nomenclature of Small Cetaceans, 49.5, 480-490.

### affiliative behavior

Yamamoto & Kashiwagi, Affiliative Behavior After Aggressions in Common Bottlenose Dolphins (*Tursiops truncatus*), 49.3, 288-293.

### aggression

Yamamoto & Kashiwagi, Affiliative Behavior After Aggressions in Common Bottlenose Dolphins (*Tursiops truncatus*), 49.3, 288-293.

### AMR

McGowan et al., Identification of Antimicrobial Resistance in Faecal Microbes from Wild Dugongs (*Dugong dugon*) 49.4, 395-405.

### anecdotal

Gole et al., Herd Size Dynamics and Observations on the Natural History of Dugongs (*Dugong dugon*) in the Andaman Islands, India, 49.1, 53-61.

### animal care

Brando et al., Factors Influencing the Development of Human-Animal Relationships at SeaWorld Entertainment Parks, 49.3, 294-307.

### animal welfare

Brando et al., Factors Influencing the Development of Human-Animal Relationships at SeaWorld Entertainment Parks, 49.3, 294-307.

### anthropogenic noise

—Kastelein et al., Underwater Sound Detection Thresholds (0.031-80 kHz) of Two California Sea Lions (*Zalophus californianus*) and a Revised Generic Audiogram for the Species, 49.5, 422-435.  
—Tribble et al., Enhancing Interpretation of Cetacean Acoustic Monitoring: Investigating Factors that Influence Vocalization Patterns of Atlantic Bottlenose Dolphins in an Urbanized Estuary, Charleston Harbor, South Carolina, USA, 49.6, 519-549.

### antibiotic

McGowan et al., Identification of Antimicrobial Resistance in Faecal Microbes from Wild Dugongs (*Dugong dugon*), 49.4, 395-405.

### antimicrobial resistance

McGowan et al., Identification of Antimicrobial Resistance in Faecal Microbes from Wild Dugongs (*Dugong dugon*), 49.4, 395-405.

### aquariums

Brando et al., Factors Influencing the Development of Human-Animal Relationships at SeaWorld Entertainment Parks, 49.3, 294-307.

### aquatic mammals

Gole et al., Herd Size Dynamics and Observations on the Natural History of Dugongs (*Dugong dugon*) in the Andaman Islands, India, 49.1, 53-61.

### Arabian Sea

D'Souza et al., Arabian Sea Humpback Whale (*Megaptera novaeangliae*) Singing Activity off Netrani Island, India, 49.3, 223-235.

### Atlantic white-sided dolphin (*Lagenorhynchus acutus*)

Wachtendonk et al., Cetacean and Sea Turtle Observations in the Remote Mid-Atlantic (NW) Ocean, 49.6, 495-507.

### audiogram

Kastelein et al., Underwater Sound Detection Thresholds (0.031-80 kHz) of Two California Sea Lions (*Zalophus californianus*) and a Revised Generic Audiogram for the Species, 49.5, 422-435.

### bacteria

—Lanyon et al., Baseline Urinalysis of the Fully Marine, Herbivorous Dugong (*Dugong dugon*), 49.6, 585-596.  
—McGowan et al., Identification of Antimicrobial Resistance in Faecal Microbes from Wild Dugongs (*Dugong dugon*), 49.4, 395-405.

### Baja California

Pitman et al., Records of Fatal Killer Whale (*Orcinus orca*) Attacks on Fin Whales (*Balaenoptera physalus*) with an Emphasis on Baja California, Mexico, 49.2, 195-207.

### behavior

—Reep & Bauer, Anecdotal Accounts of Manatee Behavior: Conservation and Management, Behavioral Ecology, and Cognition, 49.2, 130-147.  
—Laurentino et al., Behaviors of the Solitary Neotropical Otter (*Lontra longicaudis*) in Communal Latrines, 49.3, 265-273.

### behavioral ecology

Reep & Bauer, Anecdotal Accounts of Manatee Behavior: Conservation and Management, Behavioral Ecology, and Cognition, 49.2, 130-147.

### Bermuda

Wachtendonk et al., Cetacean and Sea Turtle Observations in the Remote Mid-Atlantic (NW) Ocean, 49.6, 495-507.

### biochemistry

Lanyon et al., Baseline Urinalysis of the Fully Marine, Herbivorous Dugong (*Dugong dugon*), 49.6, 585-596.

### blood chemistry

Cabrias-Contreras et al., Hematology and Blood Chemistry Reference Intervals for Antillean Manatees (*Trichechus manatus manatus*) in Colombia, 49.5, 443-461.

### body mass

Iskandar et al., The Effects of Age and Sex on the Energy Intake of Captive Sea Otters (*Enhydra lutris*): Implications for Captive Management and Species Conservation, 49.4, 347-355.

### bottlenose dolphin (*Tursiops truncatus*)
